NOTICE OF APPEAL

Sir:

This Notice of Appeal is herewith filed in response to the Examiner's second final Office Action mailed on September 24, 2004 for the above-captioned U.S. Patent Application. Applicants believe that \$160 should be charged to deposit account no. 50-0510 for the following reasons.

The Examiner issued a first final Office Action on March 24, 2004. Applicants filed a first Response on June 24, 2004. On September 21, Applicants filed a Notice of Appeal and a three-month extension of time. On September 24, the Examiner issued a second final Office Action, to which the Applicants filed another Response on November 18, 2004. Because the Examiner reopened prosecution with the second final Office Action, the amount paid for the previous Notice of Appeal, \$340, should be applied to the present Notice of Appeal. Therefore, Applicants should be charged \$160 for the present Notice of Appeal.

Consequently, please charge deposit account number 50-0510 in the amount of \$160 for the present Notice of Appeal. However, should the undersigned attorney be mistaken, please consider this a petition for fees for the Notice of Appeal or for any extension of time that may be required
